

FIRE IN THE SKY

Standing at the top of a skyscrapers roof
The wind blows through my hair, I am in despair
Looking out to the big city lights
Time lost in the deep black night
My life is passing by, right before my eyes

Moving in circles, can't find the end
Life goes up and down, turnin' round and round

Oohooh FIRE IN THE SKY
Oohooh be my guiding light
Oohooh FIRE IN THE SKY
Oohooh be my guiding light

I'm feeling like an stranger, I'm a ghost in my life
I'm tired of all these questions, being asked along my way
I can't find an answer,
There's a hole in my soul
The fear is written in my face, searching for the only place

Moving in circles, can't find an end
Life is an up and down, turnin' round and round

Oohooh FIRE IN THE SKY
Oohooh be my guiding light
Oohooh FIRE IN THE SKY
Oohooh be my guiding light
Oohooh FIRE IN THE SKY
Oohooh be my guiding light
Oohooh FIRE IN THE SKY
Oohooh be my guiding light
