

## MY WORLD

I feel like a poet, expressing my words  
To write down my feelings, explain my own thoughts  
That's what I long for, that's what I want  
It's my deepest need, my sense of life

For me it's pleasure and sometimes it's pain  
To show you my world, with different eyes

There's no way out, there's no way in  
Moment for moment  
A fight with myself  
There's no way out there's no way in  
I'm caught in a crossfire

Like a sailing ship, I let my thoughts flow  
I ride on the waves, my face in the wind  
Come take my hand, take a trip with me  
To kiss the sky, flying high tonight

Free from your pain and don't go insane  
Come taste the sweet fruit, enjoy your life

There's no way out, there's no way in  
Moment for moment  
A fight with myself  
There's no way out there's no way in  
I'm caught in a crossfire

For me it's a pleasure and sometimes it's pain  
To show you my world, with different eyes  
Feel the power, feel the pain  
Feel the fire, it takes you higher  
Another story for my private glory  
Feel the power, feel the light
