

NOW YOU'RE GONE

We were young and wild
Feeling strong and free
We're leaving all behind
To find our way

We're standing for our rights
We're fighting for our dreams
We believe in all the things we have done
We broke down the walls

Ooho the time has changed – the time has changed
Ooho never feel the same

Now you're gone- now you're gone
You leave me all alone
So now I'm standing in the dark
I can't find no answer
Now you're gone
A thief in the night
With a little bag in your hand
It's my darkest hour
Now you're gone

I found the letters
That you wrote for me
I read the lines one night
They touched my heart

Is it all over?
I can't believe it's true
Oh my god, I send a little prayer
Please, please come back for more
