

## WAITN FOR LOVE

I am looking for someone  
Caught my heart with fire  
I've had enough to be alone forever  
Where is the girl?

Hey you, where are you?  
It's not a dream, it's my fantasy  
Hey you, where are you?  
I want you, I need you, I wanna be with you

Waitin' for your love  
Waitin' - for the night to come  
Oh I'm waitin'  
Don't be shy  
I'm waitin' for you

Making plans together  
We are living our dreams  
We raging for a new horizon  
Another universe

### Bridge / Chorus

Oh and when the time has come  
You never walk alone  
Together getting' old  
Me and you

### Solo

I'm waitin', for your love,  
I'm waitin' for your love I'm ...

Waitin' for your love  
Waitin' - for the night to come  
Oh I'm waitin'  
Don't be shy  
Waitin' - for your love  
I'm waitin' - for your love  
I'm waitin' - for your love  
I'm waitin'  
waitin'  
waitin'  
for your love
