

## ALL I EVER WANT

It's a hot summer night, we lying there  
Looking to the midnite sky  
We're feelin' so close, feelin' alright  
Crazy for love never say goodbye

But I know I have to work on it  
And I know it's not an easy way  
But my love is really strong enough  
So hear what I say

You're all I ever want  
All I ever need  
You're the reason I'm back in my life  
I never let you go  
You're branded in my soul  
You're the one, I'm waitin' for

Hand in hand, walking through our life  
With a masterplan of a beautiful mind  
frustration is gone, I'm feelin' alive  
It's good to know, you are by my side

But I know I have to work on it  
And I know it's not an easy way  
But my love, can't be wrong, and I know that it's strong enough  
Oh yeah

2x Chorus

Solo

You're all - I want - you are the kick in my life  
You're all - I want - you're all I need

2x Refrain

All I want, is what I need  
And what I need is what I want  
You give me love, you give me hope  
You're the one make my life complete
